- Fully customizable with color, part numbers, logos, etc.

MARKETS

- Hospitals
- Surgery centers
- Doctor's office
- Nursing homes
- Healthcare

APPLICATIONS

- Admission labels
- Label for all of the patient's chargeable items

FEATURES

- Stock and custom sizes available
- Clear, crisp printing as preferred by health professionals
- Not printer dependent
- Convenient 5-7 hole punching (\$10-250-100 stock or custom options available)
- Easily accessible patient information
- Bar code printable scanning
- Pattern adhesive on all four edges and around file holes

BENEFITS

- No need for customers to buy special laser printers
- Does not require special trays
- Fits any top or side mounted charts
- Large enough for bar codes and/or patient info
- Interdepartmental communication is improved
- Eliminates adhesive ooze in printers
- Accurate charge record for efficient patient billing
